

PRESS RELEASE

Temperatures are rising, but your bill stays the same with Protergia Picasso!

Athens, Greece – August 1, 2025– [Protergia](#), an integral part of [METLEN](#), remains committed to supporting consumers by offering the most innovative energy product in Greece: **Protergia Picasso** – the only plan with a truly fixed monthly energy bill, shielding customers from rising costs. And now, students embarking on a new and exciting chapter in their lives can take advantage of a unique new offer that eliminates the stress of monthly bills.

Specifically:

- **Protergia Picasso**, a next-generation energy product, allows consumers to choose the fixed amount they pay each month for their electricity, based on their individual needs. It includes **9 different packages** valid for an entire year and covers **all energy charges** (both competitive and regulated)!
 - Especially for students, **Protergia offers Picasso Small 1**, which covers all electricity costs for a student home at **€29.99/month**, so you always know exactly what you'll pay. Plus, get **2 months FREE**.

At the same time, throughout August, **Protergia continues to shield customers from the uncertainty caused by market fluctuations**, offering competitive prices across its existing product range:

- **Value Secure 12M** – the “blue” fixed-rate plan remains available for another month at the highly competitive price of **€0.099/kWh** (with consistency discount), providing 12 months of confidence and security.
- For over a year now, Protergia has offered a flexible “yellow” plan at the same stable price. This August, discover the **Value Swift On Time Deal** at **€0.09093/kWh**.
- **Value Power & Gas 12M** – the combined offer for electricity and gas, with a reduced gas price of **€0.0369/kWh**.
- The **Green Residential Bill – Value Special** at **€0.179/kWh**, with consistency discount included.

And don't forget Powergiving!

Every month throughout 2025, one grand winner receives **€50,000**, 10 lucky customers receive **€5,000 each**, and **100 Protergia customers** enjoy **free energy bills for an entire year!**

To date, **777 customers** have already been rewarded in the first seven draws. The next draw is scheduled for **August 27th!**

Always with Protergia's Confidence and Safety.
